CORONAL

PUBLISHED BY THE STUDENTS OF
CORONA SENIOR HIGH SCHOOL
CORONA, CALIFORNIA 1938

FOREWORD

IT HAS BEEN THE AIM OF THE ANNUAL STAFF TO MAKE THIS 1938 "CORONAL" A COMPLETE PICTORIAL RECORD OF THIS YEAR'S ACTIVITIES. THROUGHOUT THE BOOK WE HAVE ATTEMPTED TO STRESS IN WORD AND PICTURE, THE IMPORTANCE AND ACCOMPLISHMENTS OF THE MANY AND VARIED ACTIVITIES WHICH HAVE PLAYED SO GREAT A PART IN MAKING THIS YEAR A TRULY OUTSTANDING ONE. MAY THESE PAGES BE A SOURCE OF DELIGHT AND SERVE AS A REMINDER OF MANY HAPPY EXPERIENCES.

DEDICATION

ACTIVITIES OUTSIDE OF THE CLASSROOM HAVE LONG BEEN RECOGNIZED AS AN IMPORTANT PART OF EVERY SCHOOL PROGRAM BECAUSE OF THE QUALITIES OF LEADERSHIP AND INITIATIVE WHICH THEY DEVELOP. ASIDE FROM HAVING A DEFINITE EDUCATIONAL VALUE, ORGANIZATIONS DO MUCH TO MAKE SCHOOL LIFE MORE INTERESTING AND ENJOYABLE, AND IN ADDITION, GIVE STUDENTS AN OPPORTUNITY TO MAKE FURTHER EXCELLENT SOCIAL CONTRIBUTIONS. THEREFORE, WE DEDICATE THIS 1938 CORONAL TO THE MANY ORGANIZATIONS OF THE CORONA SENIOR HIGH SCHOOL WHICH HAVE CONTRIBUTED SO GREATLY TO THE SUCCESS OF THE SCHOOL YEAR.

Knowledge may be gathered by the scholar in any environment, but concentration comes easiest in peaceful surroundings.

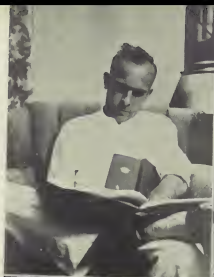

Amid a profusion of flowers and shrubs, students walk to and from their classes.

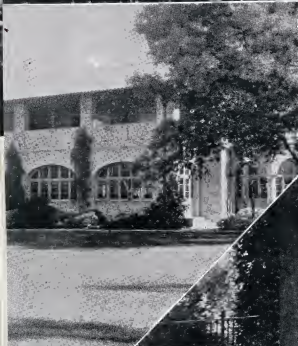

Shady corners and beautiful trees make our campus one of the beauty spots of the country.

FACULTY

FACULTY
ADMINISTRATION

BOARD OF EDUCATION

The Board of Education for this year was composed of Mr. F. J. Mueller, president, Mr. D. R. Menefee, clerk, Mrs. Frank Newsom, Mr. H. W. Hall, and Mr. R. M. C. Fullenwider. The purpose of this organization is to act as a governing body and serve as a centralizing agency for the various schools. We students owe a great deal of appreciation to the

members of this board for the improvements made on the athletic field, the fine classroom materials with which we have to work, and of course, the splendid choice of teachers they have made. Their interest in our school affairs and their ever present cooperation have done a great deal to make this year a truly delightful and enjoyable one.

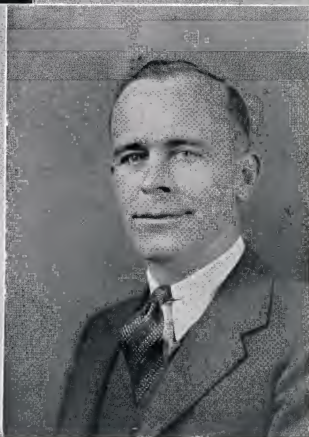

Mr. F. E. Bishop

Corona Senior High School has experienced one of its most successful years under the administration of Mr. Bishop as superintendent of schools. His ever-present influence as a helpful, kindly leader of our school district has been felt in all the phases of our high school activity. We students of Corona High wish to express our sincere appreciation for his ever friendly cooperation.

Mr. G. L. Ogden, Principal

The success of any institution depends to a marked degree upon the individual who is at its head. We as students of Corona Senior High School, could have accomplished little without the sympathetic understanding, kindly interest, and excellent guidance of our principal, Mr. Ogden. To him goes much of the credit for the achievements that have made 1938 a banner year for Corona Senior High School.

CORONAL 1938

CLASSES

SENIORS

SENIOR CLASS HISTORY

by Anna Marie Menefee

The class of '38 entered high school four years ago as a scared, green little group of freshmen. They had enthusiasm and originality, though, and proved it by overcoming their stage fright sufficiently to win first place with Barbara Root's original class skit the night of Lemonville. Under the able leadership of president Joseph Ganahl, the freshmen succeeded in being well represented in almost every school activity. Six of our class-mates became members of the scholarship society.

Freshman girls also formed a large part of the membership of the Girl Reserves. Leland Cole was a most satisfactory executive board representative. Mary Joy Jameson and Jeannette Shepard upheld our reputation on the school speedball team, while we Freshies were well represented on the girl's tennis team by Maudie Clark, Margaret Dixon, Barbara Root, and Anna Marie Menefee. Freshman boys were outstanding also. Notable among these were Lawrence Key and Billy House.

Gaining rapidly in self-confidence, members of the class of 1938 were to be found in prominent positions in almost every school activity included participation in such organization during their Sophomore year. Their actions as Girl Reserves, Hi-Y hobby clubs, G.A. A. girl's pep club, the A Capella Choir, girls and boys glee clubs, and in various school sports. President Kenneth Kilday showed athletic promise, and Delbert Cleveland and Bob Otto became our brightest stars by making the varsity football team as Sophs. Cleveland also proved his athletic prowess by entering varsity basketball and track that year. Joe Ganahl, Kenneth Kilday, Wilbur Joy, Wilbur Tomer, Ted Anderson, and Terry DeBeal also showed promise of future athletic fame.

When we of the class of 1938 gained the rank of upper-classmen, there was no limit to our self-esteem. We find Juniors, led by Joe Ganahl again, represented in all fields of school endeavor. Our first, and probably most important activity was the presentation of the annual Junior play. We chose "The Thirteenth Chair," a most successful mystery play. Barbara Root, Mary Joy Jameson, Virginia Norton, Robert Tilson, Terry DeBeal and Leland Cole deserve especial praise for their capably portrayed leading roles. Two Juniors, Wilbur Tomer and Wilbur Joy were vice-president and secretary-treasurer, respectively, of the lettermans' club. Barbara Root served admirably as editor-in-chief of the Coronal, with efficient aid from Terry DeBeal, Jeannette Shepard, Anita Seelye, Ellen Friestad, Margaret Dixon, and Leland Cole. The business of the Ko-Hi-Nur staff was ably man-

aged by Wendell Ogden, and his assistant Bill House. Mary Joy Jameson, Marion Hendrickson, and Maudie Clark held offices in the Girls' League Cabinet, while June Armstrong and Jack Murray represented the Juniors on the executive board. Members of the class of 1938 also entered prominently into sports, for Junior lettermen were; in tennis, Lawrence Key, Joe Ganahl, and Bill House. Ted Anderson and Wesley Schneider proved their ability in baseball, while "Turk Joy" shone in track. In girls' sports, Virginia Norton, Mary Joy Jameson, June Armstrong, and Jeannette Shepard were outstanding.

As Seniors guided by Robert Tilson, the class of 1938 has ample right to feel proud of its record. Our student body president, Jeannette Shepard, with vice-president Kenneth Kilday, secretary Maudie Clark, and treasurer Lorraine Conklin, have left a record in executive ability which will be difficult to equal.

The Seniors contributed several outstanding actors to the school play in March. Notable among these players; were James Pate, Harold Sullivan, Terry DeBeal, and Lou Mae Anderson.

For the first time, our class was represented on the debate squad. This was done by Margaret Dixon and Anna Marie Menefee.

Outstanding football players were the Seniors Captain Kenneth Kilday, Wilbur Tomer, Wilbur Joy, and Jack Murray. Among basketball's famous we rank high this year's captain, Jack Murray, Joe Danieri, "Turk" Joy, and Joe Ganahl as well as the "B" stars Wendell Ogden and Wesley Schneider. Wilbur Joy, Terry DeBeal, and Jack Murray held up most of the Senior honors in track, while Ted Anderson and Wilbur Tomer showed their old technique on the base-ball field. Lawrence Key, Wesley Schneider, and Bill House were outstanding in tennis. In girls' tennis we find the same four that began as Freshmen; Maudie Clark, Margaret Dixon, Barbara Root, and Anna Marie Menefee. Jeannette Shepard, Mary Joy Jameson, Maudie Clark, and Lorraine Conklin shared honors in other sports.

G.A.A. was commendably led by the president, Virginia Norton while Barbara Root made an excellent Girls' League president. Thoms Barber, Robert Neutzman, Wendell Ogden, Virginia Bess, and Raymond Harris still formed the mainstays of our excellent school orchestra. Hi-Y was ably led by president Leland Cole. Ko-Hi-Nur editor-in-chief Ted Anderson gave us a most satisfactory paper, while Ellen Friestad, as editor-in-chief of the Coronal was responsible for a very excellent annual.

SENIOR CLASS PROPHECY

by Anna Marie Menefee and June Armstrong

As the clouds of the future draw aside for a brief moment, we are permitted a short glance into the future, and the sights which meet our eyes are many and wonderful.

These are some of the things which we see or hear:

We learn that Jean Adams, Hollywood Glamour Girl, has thrown over her leading man, Tom Wilson, because he was being seen too often with that perennial debutante, Lou Mae Anderson.

Probably no one would recognize our own Jack Murray in his black-face makeup, which he wears while playing with the well-known professional basketball unit, the Broadway Clowns.

We read that Jim Sutton has recaptured the critics hearts in his latest ingenue role in the "Rover Boys on Broadway." We also see Lawrence Key throwing off his tennis career to settle down on his wife's plantation in Texas.

Robert Neutzman is growing daily more sophisticated in his well-established position as usher in the Corona Theater.

Joe Ganahl has been digging ditches to keep in training and earn some money for a happy future. Ellen Friestad is also saving pennies. Maybe she and Joe have something in common.

Sam A-rins is seen on a horse.

Since Mr. Wley is teaching philosophy at Bryn Mawr, Louis Keller has taken a position as his assistant, in order to be near his idol. At present they are engaged in collaborating on a philosophical treatise to be entitled, "How to Win a Wife and Keep Her."

Mary Irene Copley, feminist leader, and Margaret Dixon, head of the New Conservatives, have joined forces after spending a night together in the Corona City Jail as a penalty for their demonstration at Sixth and Main last week.

Barbara Root has left Mack Robinson for a newer and brighter flame in the person of Thoms Barber, drummer for the Hoosier Hotshots. Mack has joined the society of B. R. X. (Barbara Root's ex's).

Marion Leonard has replaced our local librarian, and while she is not busy chasing high school students out of the children's reading room, is to be found consuming torrid love novels.

Because of a sad misunderstanding between Barbara Claypool and Delbert Cleveland, the latter has entered the House of David, let his hair grow, and is discarding his shoes.

That strong silent woman-killer, Elden Veach is doing alright financially by giving music lessons to society matrons. It is rumored that he teaches overtime at the palatial home of Maxine Moore.

The Greene sisters, Juandell and Anna-

belle are still dancing for the Corona High Girl's League.

Lorraine Conklin was recently seen being fitted for her new uniform as Sweetheart of the Corona R. O. T. C.

Raymond Harris, contrary to all expectations has entered the ministry and is rapidly establishing a reputation for his dissertations on "Christian Work in Foreign Lands." It is just a coincidence that Virginia Norton is doing missionary work in China "?"

Bill House has become a man of the wide open spaces. He is now living on an isolated ranch in Arizona, and employs a large number of cowboys, chief of whom is Willie Henderson, who inaugurated the use of Fords instead of horses.

Harold Sullivant has gone Bohemian in a big way after the success of his latest surrealist of Wendell Ogden, whose face, they say, lends itself admirably to this type of art.

A late news item headlines Miss Gypsy Rose Seelye as Billy Rose's latest "find." They say a cheering mob of ex-classmates packs the house nightly. The Corona High Alumni Association has avoided all discussion in regard to including Miss Seelye in the 1960 Class Night reunion program.

The notorious Leland "Pretty Boy" Cole, whose pugilistic record has gained him wide fame, has recently been employed as head bouncer for Hardy Kilday's "Hot Spot" night club.

Tubby Tilson, better known as numbe 371 has recently escaped from Alcatraz. A nation wide search for the missing convict is being conducted by F. B. I. Chief Edgar (Bob) Otto. The search is especially intense around the south-eastern portion of Corona.

We hear that Marion Hendrickson has abandoned her art career. We wonder why.

Word has just come that Wesley Schneider has just bought a new farm in Norco, and is now engaged in trying to win a mistress for the mansion he has built on it. We hear that Maudie Clark, belle of "starvation acres" may be thinking of taking on the position, for she was recently seen buying dimity curtains in Beryl Brown's Norco Emporium.

Ben Dyer, latest and most noted Corona City Attorney, employs Jeannette Shepard as his "personal" (very) secretary. Jeannette tells us she is "very happy" in her work, and intends to hold on to the position as long as she keeps what it takes.

Charles Sutter, eternal flirt, has changed his mind so often that he has finally lost his looks, and now can't even rate Alberta Tibbett.

June Armstrong and Marian Hendrickson, who have been pals for so long, have at last come to the parting of the ways. We suspect that Bob Gehring is the third corner of the triangle that has caused the rift.

THE CORONAL 1938

CLASS WILL

by Eleanor Everett and Virginia Norton

We, the class of 1938, who are about to graduate from Corona High School, have written this, our last will and testament while we are in sound mind, (or are we), and good health, to the Junior class, whom we have the right to look superior.

We, Jean Adams, Lorraine Conklin, Ellen Friested, will our vamping eyes to Elsie McGuffee.

We, Marjorie Page, Virginia Bess Baker, Thelma Self, will our Marvelous voices and free lessons in "Baby English" to Charles Henry Jameson.

I, Raymond Haris, Bequeath my superfluous hair to Robert Hampton

We Eleanor Everett, Annie Cunningham, and Marion Hendrickson leave our art of driving to Jimmie Harper.

We, Jaunita Hill, Rita Conteras, and Green Twins, will our wicked ways to Fred Childress and Selma Schmidt

We, Herbert Johnson, James Pate, leave our art of driving striped cars and Willy's to Leroy Lieb

We, Mary Joy Jameson and Marian Leonard and Anna Marie Menefee wish to leave about three feet of height and dimples, to Lloyd Edwards.

We, Nelson Kimber and Jack Murray, bequeath our musical ability to Russell Stewart and Edward Tomer.

We, Maxine More, Jeraldine Nelson and Arabella Mendez, leave our one best subject (Civic) to anvon who will enjoy this subject.

We, Wendell Ogden, Westly Schneider and Charles Sutter, leave our "come and get me

look" to Robert Harvey.

I, Boyd Rasmussen, will any of my girl friends except Lois Terpening.

We, Robert Tillson, Elden Veach and Bill House, will our bashfulness, especially when around girls, respectively to Norman Pearson.

We Mack Robinson, Harvey Mack and Ted Anderson, leave our book helpfull hints in Queening to Opie Bolland and Bill Colbern, as they might need them when they are a little older. One never knows.

We, Shirley Patterson and Clyde Standfield, leave our art of holding hands to Keith Cunningham and Elma Townsend in hopes that they also will become experts.

We, Kenneth Kilday, Walter Schumacker and Ralph Fife, will our loyalty and Sportsmanship to Ralph Garton.

We, Katherine Rinaudo and Robert Nuetzman, will our love note ability we did have when we were Juniors to Fred Chapin and Danny Keller.

We, Charles Hooker and Robert Otto, leave what's left of New Years Eve to the street cleaners in Balboa.

We, Berle Brown and Louis Keller leave our fog lights to Bob Newton in case his burn out.

We, Thoms Barber the drum player and Terry DeBeal, the yell leader leav our loud and boisterous ways to Francis Neely and Bessie Smith.

We, Bob Gehring and Buster Tomer, will our baseball bats to Marvin Covington for the use of tooth picks.

We, Kenneth Ehlers and Joe Danieri, will our expert printing to James Paul Harper.

THE SENIOR CLASS

by Leland Cole

With President Robert Tilson at the helm, Vivian Ashby as first mate, advisors Mr. L. G. Thome and Miss Margaret Jones as second in command, and Wesley Schneider and Marjorie Page making up the crew as Secretary and Treasurer, respectively, the Senior Class of 1938 has finally sailed into the port of graduation, thus climaxing one of the most brilliant careers a senior class has ever enjoyed.

As the ship of fate carries us farther and farther from our Alma Mater into other seemingly greater worlds even the toughest of us will weaken when we think of the "good ol' days way back when" in 1938.

JUNIORS

HISTORY OF THE JUNIOR CLASS

by Ellen Clare Nichols

In the fall of '35 the last horde of high-spirited freshmen stormed the portals of the Corona High School. This class was composed of one hundred members and had the distinction of being the largest class ever to enroll. The upper-classmen promptly took these noisy innocents in hand and administered the annual indignities of a sound hazing. Somewhat mellowed by this experience, the Freshmen decided to show their superiors that they were really a worthwhile addition to the school and so began to join in the various activities the school had to offer. A great number of the boys went out for sports, and since then many have made names in football, basketball, tennis, track, and baseball. The girls turned in good records for the sports offered to them and have a reputation for being an enthusiastic and able group.

The Sophomore year of this class began with the triumph of taking first place in Lemonville with their original and thoroughly amusing skit. Later in the year they again came through with an entertaining class assembly, and as in the preceding year, they once more upheld the scholarship and athletic standards.

This year the Junior class has again showed considerable talent and ability. Breaking a school tradition, they presented three one act plays instead of the customary three-act play. Juniors took several of the important roles in the first all-school play, and this year as before gave an entertaining assembly program. Juniors have figured prominently in the school activities and have as a whole been a decided asset to our high school life.

SOPHOMORES

THE SOPHOMORE CLASS
by Elma Skinner and Forrest Jones

We, the Class of 1940, are the first class to enter Corona High as Sophomores. The first big event that comes to mind is the initiation. It is not necessary to dwell very long on this subject as we know it was embarrassing for the boys to go around with nothing below their knees and their hair parted in the middle. The girls had to wear their dresses inside out and no make-up. That is an experience they will never forget.

The election of class officers was the next big event. Forrest Jones was elected president, Wilma Amaon vice president, Elma Skinner secretary and treasurer, and Alice Ann McDonald and Philip Newhouse representatives to the student executive board.

We are very proud of our athletic accomplishments of both the boys and the girls. The outstanding players from the Sophomore Class

in football were; Steve Crippen, Harlan Hardison, Harry Higgins, Gilbert Macias, Leonard Sullivan, Ed Hearn, and Neal Snipes. In basketball boys and girls were; Jacqueline Joy, Faye Cochran, Jesus Cervantes Ruby Goode, Norma Goettel, Everett Shimogee, Ed Hearn, Steve Crippen, and Neal Snipes. In baseball; Ruby Goode, Jesus Cervantes, Faye Cochran, Charlotte Friestad, Eileen Jewell, Harriet Joseph, Twila Roe, Nellie Keast, Everett Shimogee, David Becerra, Manuel Cruz, Jimmy Nelson, Paul Fredericks, Martin Renfro, and Virgil Olson. Those who were outstanding in track were; Ed Hearn, George Pauly, Junior Florez, Gordon Rathbone, and Donald Payne.

With a starting record like this, the Class of 1940 should set a mark in their three years of senior high school which will upset all previous class records.

ORGANIZATIONS

ORGANIZATIONS

CORONAL

We of the Coronal Staff are justly proud of this year's annual, because it is more truly a publication by students than any previous edition. All of the work including printing, making of covers, binding, and photography work was done by the students. The theme of this volume is "Activities" and we have attempted to carry out this theme by word and picture, particularly stressing those activities which have taken place outside of the class room. It is our hope that these pages may be a pleasant reminder of your high school experiences.

The staff was headed by Ellen Friestad, the very efficient and conscientious Editor, who was ably assisted by Lorraine Conklin, assistant editor. Wendell Ogden, in charge of photography, Jeannette Shepard, in charge of senior activities, and Anita Seelye who is responsible for the splendid art work, are all to be

congratulated on the quality of their work. The business of running the finances of the Coronal was ably handled by Terry DeBral who was exceedingly fortunate in having as his assistant Barbara Root, advertising manager. Margaret Dixon and Betty Agins did their part in assisting the business manager by selling candy at the football games.

The work of the Photography Club, sponsored by Mr. Vaile, and the assistance of Mr. Wiley, who supervised the editorial work is gratefully acknowledged. We also wish to express our appreciation to the members of the print shop classes who worked on the production end of this annual, and especially those who worked night after night in order that it might be finished on schedule.

Mr. Pauly, as sponsor supervised all phases of the work.

KO-HI-NUR

Bringing the latest and most complete news to the students has been the earnest aim and purpose of the Ko-Hi-Nur staff this year. A great deal of credit for this year's paper is due to the unusually fine work of the Editor-in-Chief, Ted Anderson; and always Miss Hill, the advisor, was ready with suggestions and encouragement.

There was a large and able group of students who shared the responsibilities of writing stories and headlines, making up dummy sheets, proofreading and copyreading.

Officers of the staff have changed throughout the year. A special Senior Edition and a special Junior Edition were brought out this

year to give experience to different students and to increase the general interest in the paper.

The officers of the staff were as follows: Editorial Staff, Ted Anderson, editor-in-chief; Elema Townsend, assistant editor; Margaret Dixon and Dudley Tompkins, editorial page; Delbert Cleveland and Wilbur Joy, sports page; and Maudie Clark, exchange editor.

The Business and Production Staff consists of the Business Manager, Leland Cole; Circulation Manager, Ralph Garten, and presswork and makeup is done by the students of the printing department with the help of Mr. L. A. Pauly as advisor.

LETTERMEN'S CLUB

Highlights of this year's program were a trip to the Pan-Pacific Auditorium to see a U. S. C. Stanford basketball game, their annual initiation of incoming lettermen, and sponsoring the basketball exhibition of the famed Broadway Clowns. There are seventeen graduating seniors, four juniors, and one sophomore in the club this year.

The varsity Lettermen's Club is composed of boys who have won letters in any varsity sport or have received outstanding recognition in varsity athletics. Delbert Cleveland presided over the organization during the 1937-1938 year; Billy House was vice-president, and Nelson Kimber filled the office of secretary.

SCHOLARSHIP

The membership in the Scholarship Society this year has increased greatly over last years. Contrary to the usual course of events, there were a large number of Sophomore Members. The club had meetings at various times during the year, but it has no particular accomplishments to report. This year there are five members of the senior class who bear the distinction of being members of the Scholar-

ship Society for their entire high school career.

They are Barbara Root, Joseph Ganahl, Margaret Dixon, and Ellen Friestad. Juniors who have this same record are James Ganahl, and Francis Neely.

The officers of the Scholarship Society are as follows: Anna Marie Menefee, President; Joseph Ganahl, Vice President; Manley Cole secretary; Gale Bratten, treasurer.

STUDENT EXECUTIVE BOARD

The Student Body Executive Board for the year 1937-1938 started the year with a clean slate. Members of the board are President, Jeannette Shepard; Vice President, Kenneth Kilday; Secretary, Maudie Clark; Treasurer, Lorraine Conklin; Ko Hi-Nur Editor, Ted Anderson; Junior Representatives, James Ganahl and Leroy Lieb; Sophomore Representatives Alice Ann McDonald and Philip Neuhouse; Principal G. L. Ogden; and faculty Advisor Mr. L. A. Pauly.

The budget made for the year was very successfully met and a surplus enabled the Student Body Executive Board to fulfill many awards and make presentations that were belated.

This was hendeled very satisfactory with the revenue from Student Body tickets, Lemonville, and football and basketball games. The splended work of the members of the board and the cooperation of the Student Body has made it possible for us to turn over a large surplus to next year's treasurer.

Lemonville, the traditional school entertainment, this year was in three divisions; skits were put on by the classes, carnival in charge of the Girls League, and a dinner with the Student Body as whole in charge. This was one of the most successful Lemonville's we have ever had.

Seasonal tickets for basketball and football were sold to the business men and various advertising material was used to make this year a most successful year financially and socially.

The various social organizations in the school have brought the students together in close cooperation and have provided a source of entertainment for all students and in doing this have greatly aided the Student Body Executive Board in its work.

G. A. A.

The Girl's Athletic Association is an Organization for girls who have gained the necessary one hundred points required for membership.

These points are awarded to each member of a class team with additional points given for making a school team. When a girl has succeeded in making five hundred points she is given a large "C", and for each additional team she makes she is given an emblem of the sport. Several entertaining get togethers were held through the year and a banquet was held on May 27 at which time the awards for the past season were given. Girls with exceptionally good records in the G. A. A. are Maudie Clark, Jeanette Shepard, Rita Contreras, Darlene Linshide, and Betty Nugent.

The officers for this year were: President, Virginia Norton; Vice President, Frances Neely, and Secretary-Treasurer Rita Contreras.

GIRL RESERVES
by June Armstrong

The Girl Reserves are the younger members of the Y. W. C. A. There are usually from about thirty to forty girls in the Corona club. The members are under the leadership of a cabinet of eleven girls, the head of which is President Marjorie Hobbs. The two teachers who act as sponsors and club advisors are Miss McDougald and Mrs. Hyatt.

At the beginning of the year the girls adopt a central theme and relate the names of the of the bi-monthly meetings to the theme. This year the theme chosen was "Through the Looking Glass." The first meeting of the year, named "Follow the Gleam," was the ceremony in which each of last year's officers installed her successor. One of the most popular programs was, "As Others See Us" in which a few Hi-Y boys took part in a panel discussion. In the discussion, suggestions were made as to the improvement of the of the club and the improvement of the members as individuals.

During the Christmas season, the Girl Reserves were quite busy engaged in decorating the school Christmas tree and later distributing food donations which students had made.

The club as a whole adopted a small grammar school at Ferndale in the hills east of Riverside. A group of two or three girls choose one member of the school to whom they send Christmas gifts of toys and clothing. In the spring the girls have a picnic at Ferndale to which the children are invited.

Once a year the girls invite their fathers to the Dad-Daughter banquet. This year both the dinner served at the high school cafeteria and the program following was a decided success. One of the most impressive ceremonies held annually is the Recognition Service at the Mission Inn at Riverside. It is one of the more religious programs in which the Girl Reserves from several surrounding towns take part. In the quiet atmosphere of the Mission Inn Chapel the new girls are recognized or welcomed into the organization by the old girls.

The Programs of the year are aimed toward the physical, mental, and spiritual development of the girls in addition to furnishing them with entertainment and social activities.

>> CORONAL 1938 <<

THE FUTURE FARMERS

This year the Future Farmers organization has increased one hundred percent over last year which was their first year.

In September the Future Farmers had a very worth while exhibit at the Los Angeles County Fair that won the chapter twenty dollars in cash and also eight dollars for an individual prize.

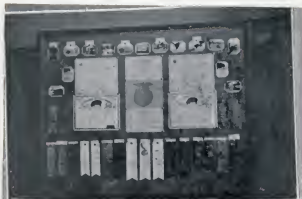

This year our chapter, under the supervision of our sponsor, Mr. E. L. Crump, tried something new in the way of field days and had the first citrus field day ever to be held in California. The purpose of this was to acquaint the future farmers with the citrus industry in California. The event was a big success.

The projects of the future farmer boys have increased from a few hogs, bees, and a few acres of grain last year to numerous and larger sized projects as indicated by the following report.

From September 10, 1937 until March 10, 1938 there had been invested in livestock, poultry, and crops, a total of \$2,146 in our chapter. The value of each kind of project was estimated, as nearly as possible, as follows: twenty nine hogs valued at \$410, of which most are breeding stock; eight dairy cattle, of which four are pure bred Guernsey cows from the best available stock in California and are valued at \$730; thirty hens plus one hundred and fifty pullets valued at \$105; two hundred and fifty meat birds valued at \$210; twenty six acres of grain valued at \$130; six acres of hay valued at \$50; six head of sheep valued at \$50; one hundred turkeys valued at \$100; twenty seven colonies of bees valued at \$81 and eleven head of beef cattle valued at \$300.

Besides the projects which require an investment, there are five citrus projects and one nursery project.

The Future Farmers have had a very successful year and from the looks of things our success will be even greater next year.

 >

H.Y.

by Leland Cole

It has been the purpose of the officers, Leland Cole, president; Louis Keller, vice-president; Lawrence Key, secretary; Morrel McDouald, treasurer; Mr. L. R. Brookhart, advisor; and the twenty odd members to create maintain, and extend in our school and community high standards of Christian character. The meetings, formal or informal, were held every two weeks, with few exceptions, at various places in Corona and neighboring cities.

Induction under the supervision of Robert Tilson and the executive board, was held in the study hall. Twelve new members were

admitted into the organization. The initiation under the supervision of Louis Keller and Robert Newton proved quite amusing to all. Programs throughout the year were arranged by Louis Keller, the vice-president, with the assistance of Wendell Ogden, who also served as Activity chairman. The two outstanding gatherings of the year were the Ladies Night, held at Santa Anna, and the Mother-Son banquet held at the Methodist Church.

The year ended with the election and installation of the 1938-39 officers and a beach party at Balboa.

THE GIRLS LEAGUE

by Barbara Root

Ever since its organization, the Girls' League has taken the lead in the welfare work of the school.

This year with the proceeds from the carnival which we sponsored, we sent our annual cash contributions to the Children's Home in Los Angeles and bought materials with which to make candy, cookies, and pop corn balls to give the Christmas baskets we cooperated with the Girl Reserves. A large part of our social service work is done among our own members.

For example, if the school doctor or nurse tells us that some girl needs a tonsillectomy but cannot afford to pay for it, the Girl's League meets the financial obligation of the operation in such a way that the girl feels no embarrassment at receiving charity.

One of the outstanding features of the Girl's League is the fact that every girl upon entering high school automatically becomes a member

without the obligation of paying dues. Thus no girl is barred from active membership because of spending money.

We try to have two meetings a month, one of which is for purely entertainment purposes and the other one of which is with vocational aims in view. The most popular entertainment program this year was put on by our own girls in response to requests from the League members. We were agreeably surprised at the exceptionally amount of talent we had right here in our own school. One of the most instructive of our vocational meetings consisted of a series of discussion groups led by women actually experienced in the work under discussion.

The principal purpose of the Girl's League of our school are welfare work and the fostering of high ideals of friendship and character among its members.

Photography

The Photography Club with Robert Hampton President, and Mr. Vaile sponsor, has completed a most successful year. They have done a very excellent job of supplying all the pictures, excepting the class photos, for the annual. This was a tremendous undertaking because of their limited facilities for taking pictures.

The Club met at regular intervals at the home of the various members for the purpose of discussing news of interest to all camera fans. On several occasions outside speakers added to the interest of the meetings. Officers for the year were Bob Hampton, president, and Leland Cole, Secretary, Treasurer, and Vice President.

>> CORONAL 1938 <<<

HIGH SCHOOL ORCHESTRA

by Wendell Ogden

The High School Orchestra under the direction of Mr. E. A. Franklin, has made quite a name for itself this year, as in previous years, by providing the school and the community with high class music.

The orchestra at present consists of over twenty-five members, eight of whom are members of the present senior class whose presence next year will be greatly missed.

The orchestra's appearance at many of the assemblies has added a lot of pep and has tended to wake the sleepy student body out of their academic stupor.

One of the "off-shoots" of the orchestra was the "wee but mighty German band" whose bedlam of noise you probably heard out on the football field. Another of the branches of the orchestra, was the dance band. This was organized a few weeks before the Senior Assembly for the purpose of furnishing a little music and variety for the student body. Its performance was received so well that it was asked to play for the Hi-Jinks re-

ception and the remainder of the school dances.

The program for the year was worked out in quarterly units of different types of music such as operatic numbers, symphonies, and different kinds of dances up through the ages including our popular jazz, or swing music.

One of the most difficult jobs the orchestra was confronted with this year was accompanying the combined girls and boys glee clubs in the presentation of the Rosemaiden Cantata.

Incidentally, this is the first time anything of this kind has been done in the history of our school. The orchestra has furnished music for the Public Forums, Class Plays, Lemonville, Assemblies, the Dunkers, and Rotary clubs.

Mr. Franklin, a splendid artist of the flute, and at one time flutist for the famous John Phillip Sousa, has done a wonderful piece of work in giving instructions and improving the technique of the orchestra members and should be highly praised for his splendid work for the past ten years as a teacher at Corona High.

THE MUSIC DEPARTMENT

The music department, consisting of the Boy's and Girl's Glee Clubs, the Music Club Boy's Quintet, and all members of the vocal classes, has completed a most successful year. In addition to making valuable contributions to many Student Body programs, such as Hi-Jinks, Open House Night, J ad-Dough er banquet, and the Christmas Program, the members of the Club have presented many entertaining programs for the various service clubs of Corona.

The outstanding accomplishment of the

Music Club was the presentation of the "Rose Ma'iden" cantata, featuring many guests soloists and a chorus of fifty high school students. The musicale was first given as a pay performance and was so well received by the public that it was given again at the Congregational church.

Much credit for the success of this year's musical programs is due Miss Frances Tipton, the director. The work of Barbara Root, who was accompanist for all divisions of the department also deserves special mention.

BOY'S
ATHLETICS

COACHING STAFF

by Ted Anderson

Since the athletic program of Corona Senior High is one of great interest to the student body, it is fitting that we give our coaching staff ample credit for their tremendous amount of work in attempting to develop the best possible squads in every sport.

Beginning the school term with the most enthusiastic of all school sports, football, head coach Jess Hill and Raymond Mahoney mentored the varsity footballers to third place in the Tri-County League standings. Orville Brooks coached the "X" football for the second successive year. Mr. Brooks also coached the varsity basketball team and varsity

baseball nine. Jess Hill established a fine record with his "C" and "D" basketball squads.

Lawrence Thome, athletic director, helped round the football squad into shape during the early part of the season. He was also head coach of the varsity track aggregation, in addition to "B" basketball. C. A. Vaile coached the tennis team to a Tri-County championship, and Charles Hancock mentored the Panther Junior Varsity baseballers.

The Corona Senior High student body are justly proud of their athletic record for the 1937-38 season and wish to express their appreciation for your splendid efforts.

ATHLETICS

FOOTBALL

VARSITY FOOTBALL (by Ted Anderson)

Heading the Corona High athletic program with a brilliant schedule of football games, Coach Jess Hill's Varsity Panther eleven made a very remarkable record on the gridiron during the 1937 season, and established a wider interest in football among the Corona High students. The attendance at the league games was undoubtedly the best in the history of the school. The largest crowd ever to witness the Panthers in action away from home, journeyed to Colton for the all-important Yellow-Jacket-Panther battle.

Although not the championship eleven, Jess Hill's footballers were the "team to beat"

throughout the entire Tri-County season.

The Coronans opened their league schedule with a well deserved 14 to 7 victory over Puente Warriors on the home field. Both teams featured excellent blocking and good aerial attacks. The Panthers scored both of their touchdowns in the opening half with the Puentans getting their lone score in the third quarter. The highlight of the game was Delbert Cleveland's interception of a Warrior pass in the closing seconds of the first half, and a seventy yard run to a touchdown. Captain Kenny Kilday, Captain-elect Tony Deleo and Boyd Rasmussen were outstanding on defence.

In their second Tri-County start, Corona was beaten by the league champions, Chino's high-flying Cowboys. The final score of 6 to 0 shows clearly the strength of the Panthers in comparison with the Tri-County title winners.

The never-to-be-forgotten Colton game was played the following week with another heart-breaking 6 to 0 defeat dealt the Panther footballers. The Yellowjackets outplayed Corona in the opening half, but in the final quarter, the Panthers drove the ball to the Hub City one yard line, but failed to score. Quar-

terbacks Joe Gansahl and Wilbur Joy turned in great performances against the Coltoners.

In the final tilt, Corona decisively whipped the Bonita Bearcats 20 to 6. Led by unstoppable Joe Gansahl, who made eight consecutive first downs in the third quarter, the Coronans displayed tremendous power in their last Tri-County game.

Graduation takes a heavy toll on Jem Hill's returning lettermen for a powerful grid squad next fall. Captain Kenny Kilday was selected as the outstanding player at the annual football banquet given at the end of every season.

"X" FOOTBALL by Ted Anderson

Led by a fighting, enthusiastic captain, Harry Higgins, the Corona lightweight footballers finished high in the final Tri-County standings. It was not a championship team, but a team that played every game hard, and to the best of its ability. Coach Orville Brooks had thirty-two fellows report for the first practice session. From these players were developed several outstanding players who are expected to make excellent varsity material next fall.

The Panther Cubs lost their big game with Colton, 13 to 6, in a hard fought battle which was won in the final half. The heavier Yellowjackets were forced to play their toughest game of the season to subdue the Coronans.

They scored twice in the third quarter only to have the Panthers rally with a touchdown. Corona was unable to tally again, and this game score stood at the final gun. Hearn, Captain Higgins, Jones, and Sullivan played exceptionally good games against the Coltoners. In the tilt with Chino, a blocked Cowboy

Don't recovered by Bobby Kilday behind the Chino goal line proved the winning margin of victory. Neither team scored further and the game ended with the Coronans victorious, 6 to 0.

Captain Harry Higgins, throughout the entire season, was a tower of strength in the Corona light-weight line. Higgins played center as a freshman, but his great ability to block and tackle earned him a tackle birth in his sophomore year. Bobby Kilday, Art Lee, Harlan Hardison and Leonard Sullivan were other outstanding linesmen. In the backfield Jimmie Ganahl, Eddie Hearn and Farrel Jones turned in exceptional performances in nearly every contest. Hearn, regular fullback, did most of the punting in addition to carrying the ball. Farrel Jones, freshman halfback, was the "find of the year." He not only was a hard charging runner, but showed up well in his defensive playing. Jimmy Ganahl was the best signal caller on the squad and also played the safety position.

VARSITY BASKETBALL

(by Ted Anderson)

Climaxing the Tri-County basketball season with consecutive victories over Downey and Claremont, Coach Orville Brook's Corona Panther varsity basketballers finished their league schedule in third place behind the champion Chino Cowboys aggregation, and the Puente Warriors.

The varsity hoopmen were slow in getting into condition and lost several practice tilts before they finally began to display winning basketball. Opening the league season against the Citrus Cougars, they emerged victorious 35 to 23, but received a terrific setback the following week, when Puente's Warrior five defeated the Coronans 38 to 21. In the all-important Panther-Yellowjacket game, the invading Coltoners lost a thrilling battle to the Corona casaba tosses, 34 to 27, in the most exciting contest of the entire season. A capacity crowd filled the Corona High gym to watch this hard fought struggle.

Among the outstanding basketeteers were Joe Ganahl, forward; Kenny Kilday, guard; captain Jack Murray, center; Wilbur Tomer, guard; Wilbur Joy, forward; and Boyd Rasmussen, guard. All of these players will be lost to the team next year through graduation.

B BASKETBALL

(by Dudley Tomplins)

With defeats by Citrus and Puente, Coach Lawrence Thome's Corona Bees ended the Tri-County league basketball season in third place behind Citrus and Puente.

Mainstays of the quintet were Leroy Leib, center, Jim Ganahl right forward, Everett Sh'moge left forward; Wendell Ogden, left

guard, and Wesley Schneider, right guard.

One of the two forwards and center were high point men in every game of the season. Other lettermen of the Bee squad were: Dudley Tompkins, right guard; Bob Kilday, left guard; Gwin Walker, right forward; Edward Hearn, left forward; and Steven Crippen, center.

"C" BASKETBALL (by Delbet Cleveland)

Led by Captain Virgil Olson and flanked by John Lunetta, coach Jess Hill's "C" team after a very bad start finished up near the top of the heap with four defeats and three wins.

The Corona lightweights lost to Citrus 20-15 and met disaster one week later to the Ponte Warriors. On the following Thursday the Colton Yellowjackets trampled the local boys 22-4. Then after another bad beating at the hands of the Bonita Bearcats the Panther cubs hit their stride and went through the remaining three games without a defeat.

Sparkplugged by John Lunetta and Olson the Coronans dumped the Downy Vikings 23-25. A week later the Panthers lowered the boom on Chino to the tune of 19-7.

The "C" team then journeyed to Claremont where in the last few seconds of play, Jack Shockley, guard, made a long shot from the center of the court to win the game by 21-22.

Even though they did not win the title they are to be complimented on the way that they played the game fair and square. The Forwards on the team were: (Capt.) Olson, Hicks, Garton, and Baugh; the Guards were Parks, Butler, Stewart, Fisher, and Shockley; and the Centers Lunetta, Flores, and Murphy.

D BASKETBALL by Ralph Garten

Annexing a total of 109 points the Corona Dee team concluded a mediocre season. Captained by Gale Walker the Panther Cubs made an exceptionally impressive clean sweep of the first four of their league games, but at this time the team hit a slump and lost the remainder of their games. Kenneth Baugh, diminutive forward and only member of the

team attending senior high school, came through with an excellent season's playing. Captain Walker was high point man of the season with approximately 40 points. Only six members of the squad received letters. Among this number Jimmy Nelson and Kenny Baugh were the only ones from the high school to receive letters.

VARSITY TRACK

by Ted Anderson

Without any of the usual Corona High strength in the sprints, and lacking any winners in the field events, Coach Lawrence Thome's Panther cinder squad was unsuccessful in its defense of last year's Tri-County track title during the 1938 season.

The Coronans had four league dual meets, losing the first three in a row, and annexing their final one from the Chino Cowboys. They lost to the Citrus Cougars, 64 to 38; Colton's powerful Yellowjackets 67 to 35, and to Bonita by practically the same score. Corona was victorious over Chino by a score of 54 to 48. At the big Tri-County meet at Downey High School, Colton regained her track supremacy which was interrupted by Corona's short two year reign in '36 and '37.

Coach Thome was not expected to have a strong entrant in Tri-County competition this year because he lost practically his entire squad of ace runners through graduation. Although the Panthers finished deep in the second division, several good cindermen were developed who should strengthen the Circle City trackers next spring. Heading the list are sophomores George Pauly and Donald Payne. Pauly will be one of the best shot putters in the league next year, and Donald Payne should be outstanding among the Tri-County half milers.

Corona loses Jack Murray, Terry DeBeal, Wilbur Joy, Joe Ganahl, and Derio Lorenzi by graduation. Murray was the biggest scorer

for the Panthers at the Tri-County meet, gathering points in both the high and low hurdles. Terry DeBeal place fourth in the mile run, as did Joe Ganahl in the 880. George Pauly scored another fourth place in the shot put. Wilbur Joy took first place in the broad jump in all the dual meets but at the all-important Tri-County affair failed to hit his stride and didn't get into the finals, thereby depriving the Panthers of five predicted points in the scoring.

With the aid of several good lightweight cindermen, plus the returning veterans, the Corona track aggregation promises to be a much stronger team in '39. Competition will be keen between the Colton Yellowjackets and Corona for the varsity title.

VARSITY BASEBALL
by Max Nugent

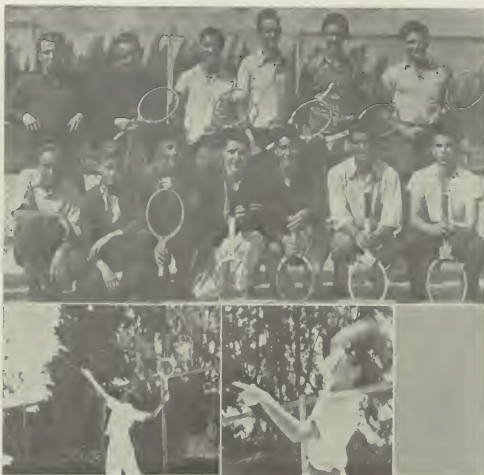

After getting off to a bad start, the varsity aggregation finished well.

Although the team did not look like a championship team at any time during the season, individual players showed signs of developing into excellent baseball material for next year.

Several of the outstanding seniors of the team will be lost by graduation, including Bus

Tomer who pitched consistently good throughout the season, Captai Bob Gehring, the spark plug of the team, and Wilbur Joy, relief pitcher.

With such players as Neal Snipes, Art Santa Leo Hayes, Max Nugent, Leroy Leih, Kenny Bough, Ray Delgadillo, Gwin Walker, Art Coleman, and Tony Deleo returning next year's prospects for a championship team look bright.

by Ted Anderson

Regaining the Tri-County tennis supremacy which they lost three years ago, Charles Vaile's racquet wielders scored seven consecutive league victories to win the Tri-County title undefeated.

Led by the sensational first singles ace, Lawrence Key, the Panthers opened their league season at Citrus and won easily from the Cougar netters, 25 to 0. Corona journeyed to Puente the following week and emerged victorious 20 to 5.

Colton's Yellowjackets, who were considered one of the strongest contenders in the battle for the championship, were thoroughly beaten in their match with the Coronans, 18 to 7. Colton, defending champions, were the squad that defeated the Coronans last year in the crucial match of the season. Corona won from Bonita, Chino and Claremont in the next three league matches.

In the all-important championship match with the heretofore undefeated Downey Viking netmen, the Panther squad battled to a 14 to 11 victory in the hardest fought duel of

the entire season. Before their match with Corona, Downey had successfully subdued all their other Tri-County opponents, and a win for them over 'Chic Vaile's team would have given Downey the Tri-County title.

Outstanding among Corona High tennis players, was Lawrence Key, the Tri-County's No. 1 net star, who defeated all his league rivals in straight sets and never once was in difficulty in scoring his easy victories. Keith Cunningham played second singles and established a fine record in that position. Joe Ganahl was the No. 3 singles player, and he also was unbeaten in league competition. Fourth singles was played by Wendell Ogden. At first doubles, Bill House and Neal Snipes played together in every Tri-County match, with the exception of the Colton battle. Johnny Ollerman and Ted Anderson were the second doubles team throughout the entire season.

Returning lettermen include, Keith Cunningham, Neal Snipes, Johnny Ollerman, Richard Murphy and James McGonigal. Key, Ganahl, Anderson, House and Ogden are all graduating seniors.

JUNIOR VARSITY BASEBALL
(by Ted Anderson)

Although the Corona Junior Varsity baseballers were not the outstanding team in the Tri-County League this year, Coach Charles Hancock did develop several players who will make excellent material for the varsity nine next spring. A short practice game schedule hindered the Panther Jayvees from getting into proper condition for their opening league game.

In the first Tri-County tilt, the Corona Junior Varsity journeyed to Citrus, and lost a rather hectic contest to the Cougars, 5 to 4. The following week they lost to the Puente Warrior nine by the identical score. The strong Coltoners beat the Coronans on the home diamond in the third league contest, 9 to 1.

After losing five consecutive Tri-County games, the Panthers defeated the Claremont horsehiders by the narrow margin of 4 to 3.

Corona's first string regulars include Captain Everett Shimogee, third baseman; Virgil Olson, shortstop; Gale Walker, second baseman; Jack Shocklev, first baseman; Martin Renfro, left fielder; Farrel Jones, center fielder; Alvin Stewart, right fielder; Manuel Cruz, catcher; and David Becerra and Paul Fredricks, pitchers.

Everett Shimogee, Virgil Olson, Martin Renfro, Manuel Cruz and Paul Fredricks are sophomores, and will be varsity players next season.

X TRACK

by Delbert Cleveland

Coached by Mr. Thome and Mr. Ruth of the Junior High School, this year's team was the strongest in the past three years, but were but was not strong enough to win the coveted Tri-County title.

The good part of this year's X team will be back next year to carry on for dear old Corona High. With this year's returning lettermen form the varsity squad and the X team coming up, Corona's prospects for the next year seem fairly bright.

The X team held dual meets with Citrus, Bonita, Colton, and Chino and entered the big meet at Downey. Although they made a good showing, competition was too keen for them to take the title.

Members of the X team were; Richeard Murphy, Ed Hearn, Jim Ganahl, Lloyd Edwards, Bill Barber, Harlan Hardison, Art Lee, Jim Pearson, Gwin Walker, Wayne Keast, Bob Kilday, Gale Walker, Steve Crippen, Harry Higgins, Gordon Rathbone, Warren Fox and Gordon Gibson.

Hockey was a well patronized sport and was notable for attracting a senior team which was composed of the same players as made up the eleven when the classmates were freshmen. Corona girls will be hosts at the league play-day on April 20.

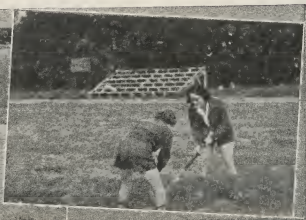

Corona's girls' tennis outlook looked very bright at the beginning of the spring quarter, for only two of the nine veterans of 1937 had graduated. Despite the fact that the girls no longer have their inter-scholastic league matches for competition, the same keen enthusiasm

is shown among the girls. The sophomores, juniors, and those incoming ninth graders are going to have to pick up their rackets and show a little steady and persistent training this year for the team loses those active seniors Maudie Clark, Anna Marie Menefee, Margaret Dixon, and Barbara Root who during the past four years have set up that championship background which can only be upheld with a keen determination for victory.

Other likely team members this year are Darlene Linschied, Fhyllis Root, Elema Townsend, Marjorie Mueller, and Betty Nugent.

COACHES OF GIRLS ATHLETICS

Miss Horst and Miss Hill have done an excellent job of training girls in all sports as shown by the many honors the teams have received at playdays. Miss Horst, girl's advisor, took charge of the baseball season this year and was responsible for the highly successful posture contest. Miss Hill coached hockey, basketball, volleyball, speedball and the girl's tennis team which did not lose a single match this season. As sponsors of the Girl's Athletic Association, Miss Hill and Miss Horst have done much to increase the interest in girl's sports. This outstandingly successful year would certainly have been totally impossible if it had not been for the splendid leadership of these two coaches.

GIRLS
ATHLETICS

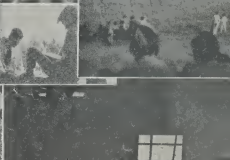

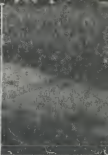

GIRLS ATHLETICS
 by Mary Joy Jameson

After briefly scanning Corona's Girl's athletic calendar for the year 1937-1938, one is convinced that the girls have taken their full share of honors in the various major and minor sports.

Girls basketball season started this fall with the participants showing particular attention and enthusiasm toward interclass games. The competition for the championship was so keen that the playoffs lasted almost twice the usual time, and the seniors who were finally awarded the title, earned their victory only after weeks

of energetic work. All the classes should be given special commendation for bringing home first place ribbons from our Tri-County league play day at Downey.

Girls speedball, with its accompanying minor sport, volleyball, also drew attention from a large number of contestants. Because of flood conditions the annual playday for these sports was canceled. Both of these inter-class championships were won by the enthusiastic juniors.
